WORKING NEIGHBOURHOODS FUND GRANGWOOD AND LOUNDSLEY GREEN FRIENDS OF CNEDCU

Chesterfield Borough Council's Working Neighbourhood Fund has helped the Credit Union to upgrade our IT equipment through the Equip to Grow project. The funding has enabled services to be enhanced through the installation of new

PCs and printers in our Chesterfield office, allowing us to improve our services to the community and network more effectively. We have also installed a more up-to-date accounting system which will allow us to improve efficiency.

We are hoping in the next three months to have collection points in these two estates. Look out for our posters in your community letting you know exactly where and when.

We need your support to help us maintain our vital services to the local communities. Why not become a 'Friend of CNEDCU' and help us with an annual donation or volunteer some of your time?
